Declares Germany Cannot Think Of Peace While Her House Is Burning.

MUST USE EVERY POSSIBLE WEAPON

There Is Only One Watchword, Says Chancellor; Germany Must Win.

BERLIN, Germany, Sept. 29.—Germany will persevere until victory is hers, the reichstag was told Thursday by chancellor von Bethmann-Hollweg, according to the full text of his speech which was published here today. The chancellor declared that this year's harvest has made Germany's position much more secure than was the case last year.

In his attack upon Great Britain, he declared that that country was breaking one international law after another and was above all Germany's "most obstinate, ferocious and most obstinate enemy."

"A German statesman," he said, "who would hesitate to use against this enemy every available instrument of battle that would really shorten this war—such a statesman should be hanged."

"Must Persevere and Win." "When in August, 1914," he went on, "we had to draw the sword, we knew we had to protect our hearth and home against a mighty and almost overwhelming coalition. Today, after two years of fighting, we know more than ever before that there is only one watchword, namely, persevere and win."

Concluding his speech the chancellor exclaimed: "Germany will not be permitted to think of peace while her house is burning. She must first extinguish the fire."

After the chancellor had concluded the reichstag adjourned until October 5.

Shoots Down 3 German Airplanes, 2 1/2 Minutes, Then Falls 10,000 Feet.

Paris, France, Sept. 29.—Three German airplanes brought down in two minutes and 30 seconds by a stop watch the latest exploit of 26 Lieut. George Guynemer. Incidentally Lieut. Guynemer, who is known as "king of the air," fell 10,000 feet but escaped unhurt.

Guynemer went to the assistance of a comrade who was hard pressed by two German machines. He brought down two of them within 30 seconds and then, rising, overtook a third which he shot down two minutes later. He was looking for the remaining two German machines when a shell burst beneath him and stripped the left wing of his airplane of every stitch of covering. He plunged slightly earthward, but managed to regain control of his machine.

Tucsonian In British Army Wakes in Corpse Pile; Left For Dead

Tucson, Ariz., Sept. 29.—Sergeant R. P. Martin, formerly of the 101st Cavalry, now of the 10th Battalion of the 1st Canadian Trench Battalion, has written friends here from a London hospital where he is recovering from his third wound. He writes that while on wire cutting duty before the German trenches, he was shot and after 24 hours recovered consciousness only to find himself lying in a pile of corpses gathered together on the battlefield.

Later rescued, he was taken to a hospital and operated upon. Apparently dying after the operation, he "came to" sufficiently to hear a priest chanting the requiem over him. After that his recovery was more rapid.

GERMANS CLAIM BRITISH ATTACKS ARE REPULSED

Berlin, Germany, Sept. 29.—The repulse of a strong British attack on the Somme front is reported in today's announcement, which says:

"After the sanguinary repulse of the enemy's attacks on Wednesday the battle of the Somme slackened considerably Thursday. A strong British attack between the Ancre and Courcellette was repulsed on the western wing in hand to hand fighting with the loss of a small trench section."
